

CURRICULUM VITÆ

COGNOME: Mondelli.
NOME: Mario Umberto.
CODICE FISCALE: MND MMB 54E29 F205L
RESIDENZA: via Vitali 1, 20122 Milano. Tel: 02-796078; Fax 0382/526450
e.mail: m.mondelli@smatteo.pv.it; mario.mondelli@unipv.it
DATA DI NASCITA: 29 maggio 1954
STATO CIVILE: coniugato, 3 figli.
NAZIONALITA': Italiana.

TITOLI:

- Dottore in Medicina e Chirurgia (con lode), 1978, Università di Milano.
- Specialista in Malattie dell'Apparato Digerente (con lode), 1982, Università di Milano.
- Dottore di Ricerca in Medicina Preventiva e di Comunità, 1988, Università di Pavia.
- Specialista in Allergologia ed Immunologia Clinica, 1991, Università di Milano.
- Professore Associato di Malattie Infettive, 1992, Università di Pavia.
- Professore Straordinario di Malattie Infettive, 2001, Università di Pavia.
- Professore Ordinario di Malattie Infettive, 2004, Università di Pavia.

ESPERIENZE DI LAVORO.

- *Settembre 1978-Febbraio 1979.* Medico Interno, Clinica Medica III, Università di Milano.
- *Marzo 1979-Aprile 1980.* Tirocinante Ospedaliero e Medico Interno, Clinica Medica I e Scuola di Specializzazione in Malattie dell'Apparato Digerente, Ospedale Maggiore, Università di Milano.
- *Maggio 1980-Agosto 1980.* Rusconi Fellow, The Liver Unit, King's College Hospital and Medical School, Londra, Inghilterra.
- *Settembre 1980-Agosto 1981.* Titolare di Borsa di Studio assegnata con provvedimento rettorale dell'Università di Pavia, usufruita a The Liver Unit, King's College Hospital and Medical School, Londra, Inghilterra.
- *Settembre 1981-Settembre 1982.* Rusconi Fellow e titolare di borsa di studio del Consiglio Nazionale delle Ricerche (CNR), The Liver Unit, King's College Hospital and Medical School, Londra, Inghilterra.
- *Ottobre 1982-Ottobre 1984.* Cystic Fibrosis Research Fellow and Honorary Registrar, The Liver Unit, King's College Hospital and Medical School, Londra, Inghilterra.

- *Novembre 1984-Novembre 1987.* Dottorato di Ricerca in Medicina Preventiva e di Comunità, titolo conseguibile: Scienze Infettivologiche, presso l'Istituto di Clinica delle Malattie Infettive dell'Università di Pavia.

- *Novembre 1985-Dicembre 1988.* John E. Fogarty Public Health Service International Research Fellow and Visiting Investigator, Department of Basic and Clinical Research (poi Department of Molecular and Experimental Medicine), Research Institute of Scripps Clinic, Scripps Clinic and Research Foundation, La Jolla, California, USA.

- *Gennaio 1989-Dicembre 1991.* Titolare di Borsa di Studio Regionale per Ricerca Finalizzata: "Aspetti immunologici dell'infezione da HIV", Istituto di Clinica delle Malattie Infettive, Università di Pavia, I.R.C.C.S. Policlinico San Matteo, Pavia.

- *Novembre 1992-Settembre 2001.* Professore Associato di Malattie Infettive, Università di Pavia, Istituto di Clinica delle Malattie Infettive, I.R.C.C.S. Policlinico San Matteo, Pavia.

- *Ottobre 2001-Settembre 2004.* Professore Straordinario di Malattie Infettive, Università degli Studi di Pavia, Dipartimento di Malattie Infettive, IRCCS Policlinico San Matteo.

- *Gennaio 1997-.* Dirigente Medico di II livello, Direttore Laboratori Sperimentali di Ricerca-Area Infettivologica, IRCCS Policlinico San Matteo, Pavia.

- *Ottobre 2004-:* Professore Ordinario di Malattie Infettive, Università degli Studi di Pavia, Dipartimento di Malattie Infettive, IRCCS Policlinico San Matteo.

MEMBRO DELLE SEGUENTI ASSOCIAZIONI.

- Società Italiana di Malattie Infettive e Tropicali.
- New York Academy of Sciences.
- American Association of Immunologists.
- American Society for Microbiology.
- Associazione Italiana per lo Studio del Fegato.
- European Association for the Study of the Liver.
- American Association for the Study of Liver Diseases.

RICONOSCIMENTI E CARICHE INTERNAZIONALI

- 1994-99: Membro del Comitato Scientifico della European Association for the Study of the Liver (EASL).
- 1995-97: Segretario Scientifico della European Association for the Study of the Liver (EASL).
- 1997-99: Segretario Amministrativo della European Association for the Study of the Liver (EASL).
- 1995-00: Membro del Consiglio della United European Gastroenterology Federation (UEGF).

- 1999: Vice-Presidente della United European Gastroenterology Federation (UEGF).
- 2000: Presidente della United European Gastroenterology Federation (UEGF).
- 1996-2000: Membro del Consiglio della International Association for the Study of the Liver (IASL).
- 2001: Vice-Presidente della United European Gastroenterology Federation (UEGF).
- 2004- : Membro rappresentante l'Italia, Union Européenne des Médecins Spécialistes, sezione Infectious Diseases (UEMS-ID).
- 2011 : Presidente Eletto della International Association for the Study of the Liver (IASL).
- 2009-2014: Presidente della UEMS-ID.
- 2009 : Fellow of the Royal College of Physicians

ATTIVITA' EDITORIALE.

Il Prof. Mario Mondelli ha prestato opera di *referee* per le seguenti riviste:

- Gastroenterology
- Hepatology
- Journal of Hepatology
- Liver International
- Gut
- Digestive and Liver Disease
- Infection
- Hybridoma
- European Journal of Clinical Investigation
- Journal of Clinical Microbiology
- Haematologica
- Journal of Viral Hepatitis
- Journal of Virology
- Digestion
- Journal of Medical Virology
- Journal of Clinical Investigation

1991-1999: Membro, **Editorial Board**, *Journal of Hepatology* (organo ufficiale della European Association for the Study of the Liver)

1999-2004 : **Associate Editor**, *Journal of Hepatology*.

1993- : Membro, **Editorial Board**, *Le Infezioni in Medicina*.

1999- : Membro, **Editorial Board**, *TTM-Hepatology*.

2001-2004: Membro, **Editorial Board**, *Digestive and Liver Disease*

2005-2009: **Co-Editor**, *Journal of Hepatology*

Revisore di progetti di ricerca per i seguenti enti di ricerca nazionali ed internazionali:

- Unione Europea Biomed 3
- MURST (ora MIUR)
- The Israel Science Foundation
- The Health Research Board of Ireland
- The Wellcome Trust
- Institut Pasteur

ATTIVITA' DIDATTICA.

In qualità di docente di ruolo, il Prof. Mario Umberto Mondelli ha esercitato senza soluzione di continuità l'insegnamento nel Corso Integrato di Malattie Infettive del Corso di Laurea in Medicina dell'Ateneo pavese dall'anno accademico 1993-1994, e dall'anno accademico 2003-2004 nel Corso Integrato di Biotecnologie in Malattie Infettive nel Corso di Laurea Specialistica in Biotecnologie, dell'Università degli Studi di Pavia. Nell'ambito di un rapporto di lavoro a tempo pieno, il Prof. Mondelli ha svolto regolarmente il ciclo di lezioni formali ed esercitazioni pratiche secondo quanto concordato con il Coordinatore del Corso Integrato di Malattie Infettive. A sua volta egli è coordinatore degli insegnamenti clinici del II anno di Corso di Laurea Specialistica in Biotecnologie oltre che del Corso Integrato di Biotecnologie in Malattie Infettive nello stesso Corso di Laurea. Dall'anno accademico 1998-99 è inoltre docente nelle Scuole di Specializzazione in Medicina Interna e in Medicina Tropicale, dal 2000-01 nella Scuola di Specializzazione in Gastroenterologia e dal 2003 nella Scuola di Specializzazione in Microbiologia. Esercita personalmente attività di supervisione di studenti di medicina e specializzandi in malattie infettive nella stesura di tesi di laurea e di specialità, rispettivamente. Inoltre, il Prof. Mondelli tiene lezioni e seminari in numerose Scuole di Specializzazione nazionali ed è stato docente in corsi di perfezionamento e seminari tenutisi in Università e Istituti di Ricerca esteri, come riportato nell'elenco allegato al *curriculum vitae*. Il Prof. Mondelli partecipa regolarmente alle sessioni di esami del Corso Integrato di Malattie Infettive, agli esami di profitto e di ammissione alla Scuola di Specializzazione in Malattie Infettive e, in qualità di relatore e correlatore, agli esami di Laurea in Medicina e Chirurgia. Egli è inoltre responsabile della formazione scientifica e clinica di un gruppo di specializzandi in Malattie Infettive secondo quanto concordato con il Direttore della Scuola. Il rendiconto dell'attività didattica espletata è comunque verificabile attraverso i registri delle lezioni regolarmente compilati e consegnati presso la Presidenza di Medicina dell'Università degli Studi di Pavia e presso gli uffici universitari competenti.

ATTIVITA' ASSISTENZIALE.

L'attività assistenziale del Prof. Mario U. Mondelli è stata intensa e varia. Nel campo specifico della Malattie Infettive si è dedicato prevalentemente all'assistenza dei pazienti epatopatici acuti e cronici e relativi problemi infettivologici. L'attività clinica si è concretizzata anche in attività di ricerca attraverso il coordinamento e la partecipazione attiva a studi clinici controllati in pazienti con epatite cronica da HCV, tenendo contemporaneamente tre sedute ambulatoriali settimanali e partecipando alla gestione clinica dei pazienti ricoverati presso il Dipartimento di Malattie Infettive, utilizzando la casistica clinica anche a scopo didattico. In qualità di Direttore (Dirigente Medico di II livello) dell'Area di Ricerca Infettivologica, una delle quattro aree tematiche di ricerca dell'IRCCS Policlinico San Matteo, ha continuato a svolgere compiti di coordinamento e promozione della ricerca nell'area infettivologica essendo inoltre responsabile della rendicontazione e programmazione scientifica, di concerto con il Direttore Scientifico dell'IRCCS, presso il Ministero della Sanità. Attualmente è responsabile di un organico di 10 persone: 4 dirigenti medici di I livello, 3 dirigenti biologi di I livello e 3 tecnici di laboratorio biomedico.

PUBBLICAZIONI SU RIVISTE INTERNAZIONALI SOGGETTE A PEER REVIEW
